Dear Residents,

Housing is pleased to announce our participation in a pilot project to reduce the level of **fats**, **oils**, and **grease** (FOG) that end up in sanitary sewers.

To participate, simply:

1. Get a YourTurn cup from the rental office
2. Pour your **FOG** waste into the cup
3. Keep cup in your fridge until it’s full
4. Throw out full cup with your garbage

**Did you know?**
Gravies, salad dressing, dairy products, soups, butter and margarine are all common forms of household FOG. For more information, please visit www.london.ca/yourturn.
