

London Western
CANADA

Dear Residents,

Housing is pleased to announce our participation in a pilot project to reduce the level of **fats, oils, and grease** (FOG) that end up in sanitary sewers.

To participate, simply

1. Get a YourTurn cup from the rental office
2. Pour your **FOG** waste into the cup
3. Keep cup in your fridge until it's full
4. Throw out full cup with your garbage

Did you know?

Gravies, salad dressing, dairy products, soups, butter and margarine are all common forms of household FOG. For more information, please visit www.london.ca/yourturn.
